Be a stakeholder in our future. Our Association has worked since 1939 to improve your quality of life and take advantage of future opportunities as well as 20 years in implementing a vision to create a sustainable Town Center and one-of-a-kind recreational destination with million dollar grant funding. Our NSIA Community Center provides a place for meetings, parties, receptions, including a full kitchen and handicapped accessible restrooms. We have new playground equipment, a basketball, tennis, paddle tennis and softball field.
